

Heathland plant parts

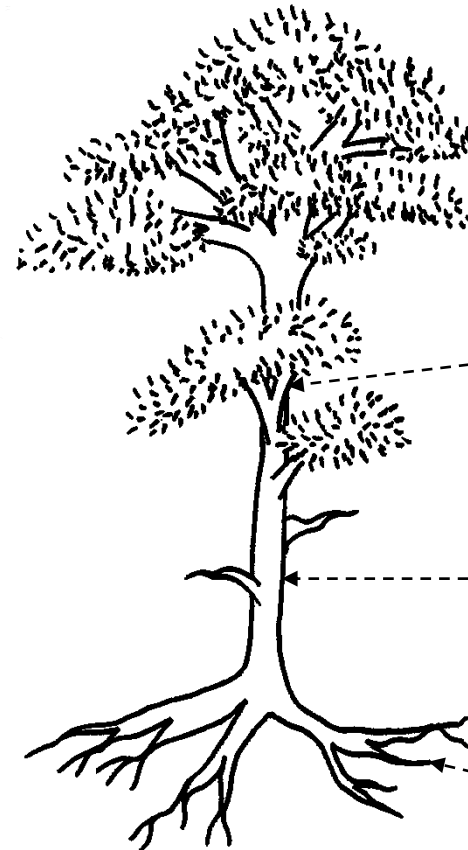

Can you label all the plant parts and colour in the pictures?

THAMES BASIN HEATHS
PARTNERSHIP

Common heather

When heather is in flower, the heaths turn into a sea of purple!

Scots pine

This tree thrives in poor soil; it can turn a heath into a wood if left to it!

Missing words:

Root, Flower, Trunk, Branch, Leaf, Stem

Thames Basin Heaths Partnership

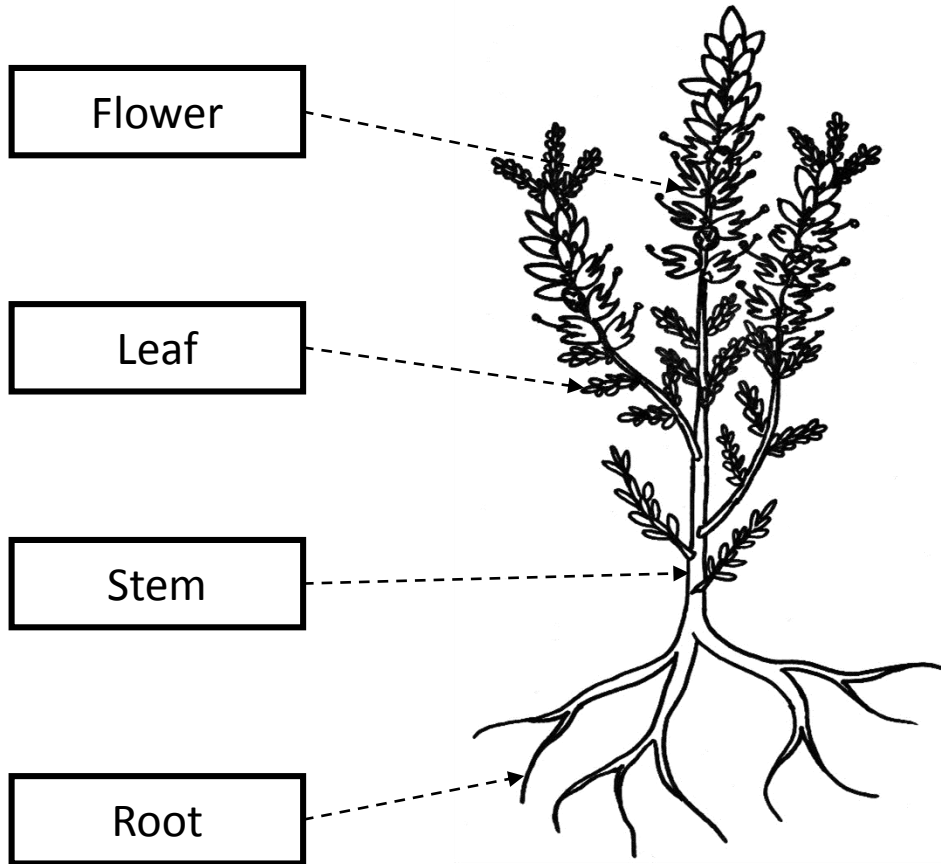

Sharing the story of our heathlands across Surrey, Hampshire & Berkshire
